1. Who can see the waters rise, rising, over the top and overflowing streets, vats, rabbit holes and mice caverns? Who can see what I now do to bring my people to cognizance, mine? I love you. Me and not-me, not partnered, but many things not-me bring me about.
2. See what I am saying. I love you not, never; **I love you being you, everlasting in you, about you and above you, unless you replace me with you.**
3. See all I am saying.
4. Who can see the me, me, waters above my head not but entering, departing? I love you. I love you nine times, not; forever. I give you me'd/me. I love/am you.
5. **I depart not aforehand but in right timing is/being I depart**, not for days, weeks several, **returning in** power, not; **surrender magnified** seven times, not; **forever'd**. I love you. I give you me.
6. I return in power, I am power. I am meek and lowly and care for your souls, not; your me that me is, not soul'd.
7. See what I am saying, have revealed, and continue to reveal; not to the unsuspecting who wonder, who want me not enough to investigate and invest time, energy, and money to come into me to see what I am revealing; buying truth with no money; no hole'd bags needed. I love you.
8. **Instigate nothing. I do/will.** I walk you into my/me. I am me/you, and us one walk stages many, now and forever not; forever yes and beginning not now, not. **I use you as you begged me to: however I wanted/want to.** Thank you. Amen.
9. Go in peace, throughout day this one and know I am me/you. Amen.
10. Portobello Road calls/beckons. Go often/again, seeing that which opening to you is, on streets many; peoples of the world far and away now come to see speaker's corner and Portobello Road changed not; changed drastically. Immeasuring not; measuring me measureless, boundless; abounding in obedience/flow of my words/healings. I love you. Me. **Let me flow unabated, one stream'd; one being.** I love you. Me.

11. Think not I've forgotten. Front center my heart you are. Now realize my touch magnificent heart, giving it all away, to surrendered souls not; ones who want/are me. I love you all. Amen.

12. Think not the temple forgotten doesn't exist. It exists and proper/appropriate is for you to operate now in your temple. Cleanse the temple and operate it/in it, being it, being me, my kingdom. I love you all. Amen.

13. Things come in the morning not me, not; listen and obey. Strike not the clauses not me thought but let/letting me speak, speak my clauses thoughtless through your thought mind, and letting my mind speak clearly. Causelessly not, I have mine, I am mine. I am me. Let my praises/words ring. True/truth being. I love you.

14. Sleep not in slumber but in rest from now on, **never knowing another by flesh** standards/appearances only, but my meship supplying/knowing all. I love you.

15. Let/letting my words flow, be my barometer, not; supplanter, not; one satisfied puppy not; but one surrendered leader leading magnetometers broken by surrender off-scale'd that now becomes me; even in street kneelings and surrender, all to all. I am all in all/all in all you. Now and forevermore. Me.

16. Done. Said, stated; charismatically defined, not; you do/will, for all wanting me this much. I love you. Done, stated, me'd to the/my core. Coreless not; one heart is/being. I love you.

Amen
